

# XL DRY

## INDUSTRY LEADING DRY HEMP AND CANNABIS TRIMMER

The Trimator XL Dry is one of the fastest dry trimmers in the world. It is built for commercial volume, boutique-quality bud, and top-value trim. The XL Dry meets the demands of large-scale production with ease by offering a streamlined, repeatable process. The innovative lock and load pivot system makes loading and unloading easy, while the set-and-forget timer frees up the operator to do other tasks during trimming. Finally, the proprietary Pure Trim™ shear band system is lubricant and vacuum-free for a quiet, contaminant-free trimming environment.

## PERFECT FLOWER

### PURE TRIM™

Proprietary shear band eliminates the need for lubricants, keeping your products pure.

### MAXIMUM CUTTING SURFACE

Long, narrow drum utilizes more surface area for cutting.

### RAPID LOADING

Lock and load pivot system streamlines production for rapid throughput and unloading.

### REMOVABLE TRIM BINS

Food-grade trim bins safely catch excess trim for use in other applications.

### CLOSED LOOP SYSTEM

With no fan, 100% of the trim is captured and ready for extraction.

### TOOL-FREE DISASSEMBLY

Turn-and-lock system allows for fast drum swaps and easy removal for cleaning.
